## A Rhyming Adventure in the Western Ghats

Mom and dad won't allow Gugulu to go to school by himself, yet, he can't wait to explore. He does something that involves encountering trouble, BIG TROUBLE.

Gugulu, the sloth bear, lives with his mom and dad, high above the sea in a pretty spot in the Western Ghats. He wants to go to school on his own, and one day, he decides to be cool... he runs ahead of his parents! He beams and cheers, but that's until he reaches the river... can naughty Gugulu deal with the perils of the forest?

A rhyming picture book that tells readers an uplifting story of new experiences and boldly facing the challenges encountered.
